

Reflecting Christ Through Service, Growth, and Friendship

Partnering for Eternity is a scholarship program that seeks to provide students with opportunities to serve, ease senior isolation, and help with tuition assistance. This program was founded in 2006, inspired by a child who connected with an older adult, creating a lifelong friendship. We are currently partnered with 150+ Seventh-day Adventist schools across the United States who are receiving the rich blessings of PFE. We are excited to present you with the opportunity to join the PFE family.
